Describe what Implementation Strategy or Strategies you have selected to address this/these Action Item(s). Suggestions for Implementation Strategies can be found within the Action Plan Item Detail of your AHG Wellness Action Plan, if needed.

Why did your school select this/these Action Item(s) to focus on? The Impact and Outcomes section of the Action Plan Item Detail provides additional information on the impact these Implementation Strategies have to influence student and staff health.

Describe the key persons involved in the project and their roles:

Provide a brief summary of other funds received by your school designated to improve school wellness.

Proposed Use of Funds – *Provide a brief summary of proposed key expenses.*

Requested funds must be in line with the Implementation Strategy or Strategies selected above to address the Action Items from your school's Action Plan.

Please note that if a grant is awarded, purchases must follow appropriate and relevant school district procurement policies and procedures, to include obtaining at least three quotes when indicated. Copies of quotes must be available for at least three years after close of grant and made available to The Foundation upon request.
